WHQS – Summary

- The WHQS 2020 Programme has been created to ensure all Flintshire County Council properties can comply to the WHQS by the year 2020 as required by Welsh Government.
- The Programme of Works is a ‘Live’ document and the delivery of the Programme will generally remain as is.
- However, as the Programme is a ‘Live’ document, specific property addresses are subject to changes that occur during each financial year.
- Properties become void (empty) each year and some properties may be brought forward where required.
- Some tenants refuse to have the works completed for various reasons. These properties will be re-introduced into the Programme in another year.

WHQS – Summary

- When properties have been Surveyed, we often find that some tenants have replaced their own fixtures and fittings (kitchens & bathrooms) and no longer require the Upgrade works to be completed. This provides the Capital Works Team with the opportunity to bring forward additional properties and complete the works earlier than first planned.
- Other properties are subject to Disabled Facility Grants and these properties may often be re-scheduled dependent on the Occupational Therapist's assessment and personal circumstances of the individuals concerned.
- For these and many other reasons that are presented to the team, we are often required to review the Programme and sequence of works.

WHQS – Thank you

- Flintshire County Council would like to thank all those involved in the development of the Programme and look forward to investing and upgrading our stock for the welfare of our tenants.
- We would also like to take this opportunity to request each tenant's co-operation and assistance in delivering this exciting project.
- If you have any queries or feel you would like to be involved in developing future work streams or plans, please do not hesitate to contact us:-
