PLANNING COMMITTEE
LATE OBSERVATIONS
COMMITTEE DATE: 29th September 2021

Agenda No.	Application Number	Location	Consultee / Date Received	Observations
6.1	063502	Consultation under section 42 of the Planning Act 2008; Awel y Môr (Denbighshire)	Review of the Seascape/Landscape and Visual Impact Assessment. Prepared by LUC	Paragraph 5.14 of the report refers to a Landscape consultant reviewing the submitted Seascape/Landscape Visual Impact Assessment (SLVIA) submitted with the Preliminary Environmental Information Report. LUC have now prepared a draft report which reviews the SLVIA. The SLVIA identifies 60 assessment viewpoints, two of which are within Flintshire. These viewpoints have been reviewed and impacts on the receptors identified are assessed to be non-significant which are considered to be appropriate by LUC. LUC agree with the judgements in the SLVIA that the proposed development would result in no significant effects on the landscape and visual receptors within Flintshire.
			Airbus	Hawarden Aerodrome Safeguarding has assessed the proposal against the safeguarding criteria as required by DfT/ODPM Circular 1/2003: Safeguarding of Aerodromes and the Commission Regulation (EU) No 139/2014 and has identified that the proposed development does not conflict with safeguarding criteria. Accordingly Airbus have no aerodrome safeguarding objection to the proposal based on the information provided.
