Revenues

- **Business Rate Write Offs**
Financial Procedure Rules requires the Corporate Finance Manager and the Cabinet Member for Governance and Corporate Services including Health and Safety and Human Resources to write off debts between £10k and £25k.

Two outstanding Business Rates debts totalling £34,762 are considered irrecoverable and write offs are necessary.

Governance

- **Review of Non-statutory Registration Fees**
The Council manages the Registration Service which has several statutory functions including the registration of births, deaths, civil marriages and civil partnerships. The service is based at Llwynegrin Hall, Mold and has custody of archived records from which copy certificates are issued. The service also licences venues for civil ceremonies across the County and conducts a variety of non-statutory celebratory services.

The fees relating to statutory services are prescribed by statute and cannot exceed the cost of providing the service. However, the Council has scope to set fees for non-statutory services.

The nature of the Registration Service means some services such as marriage are booked up to 24 months in advance and consequently non-statutory fees need to be set in advance to allow couples to plan. A fundamental review of fees was undertaken when the Council introduced its “Fees and Charges Cost Recovery Template” and new fees were implemented on 1st April 2021, for three years.

Each year the fees are reviewed to ensure the service always publishes a three year set of fees. This report seeks approval to set the fees for 2025-26 to ensure the Registration Service continues to publish three years fees.

Social Services

- **Social Care Case Management System**

The contract for the existing Social Care Case Management System is due to end on 31st March 2025 and therefore procurement of a Social Care Case Management System is required.

Copies of the Delegated Powers reports are retained by the Team Leader – Committee Services and available to view on request by Members.
